Thank You

for 35 years...

...of putting smiles on faces like these all over the Outer Banks!
THIRTY-FIVE YEARS

Since 1982, you and your generous donations have enabled the Community Foundation to give out more than $8 million in grants and scholarships! Thank you from the bottom of our hearts for all YOU have done to help our community.

2001 A grant of $50,000 helped the YMCA establish their home on the Outer Banks; today their extensive fitness facilities improve the health and wellness of over 4,000 local members!

1983 Our very first scholarship, the Inez Daniels Austin Scholarship, was established by Inez’s daughter, Josephine Oden, in 1983. A native of Wanchese, Inez taught for many years on Hatteras Island.

2007 A $50,000 grant helped the Lost Colony replace historic costumes after a devastating fire.

2016 You donated almost $80,000 to assist local victims of Hurricane Matthew — and helped more than 430 people rebuild their lives.

What will you help us do in our next 35 years?

Your GIVING. Your COMMUNITY. Your OUTER BANKS COMMUNITY FOUNDATION.
